

- LOT 1, SECs 26 AND 35, TP 9, ODYD, PLAN KAP58251, AND
- LOT 1, SEC 35, TP 9, ODYD, PLAN 7642, EXCEPT PLANS 19920 AND 31500.

BOOS B25.004
SCALE 1:500 METRIC

A horizontal scale bar with markings at 0, 10, 20, and 30 meters. The segment between 0 and 10 is filled with a cross-hatch pattern.

- ⊗ Denotes Control Monument Found
- ⊕ Denotes Standard from Post Found
- Denotes Standard from Post Set
- † Denotes Unmonumented position
- ⊗ Denotes Not Found
- ⊕ Denotes Reestablished
- Denotes Unestablished and Reestablished

Distances shown are horizontal ground-level distances in meters and feet (ft.).

Integrated Survey Area No. 19 City of Vernon
NAD83 UTM Zone 18N BC-1

Geospatial coordinates for monuments 704333b and 754662b have been used to integrate this survey. However, published coordinates for these monuments appear in error. This survey includes coordinates for published monuments as well as measured monuments listed on oval frequency GNSS observations processed using the Precise Point Positioning (PPP) service of National Resources Canada.

The UTM coordinates and estimated source site accuracy achieved are derived from dual frequency GNSS observations processed using the Precise Point Positioning (PPP) service of Natural Resources Canada.

The plan shows horizontal ground-level elevations unless otherwise specified. To compute curb and driveway, multiply ground-level elevations by the average combined factor of 0.9985235. The average combined factor has been determined based on an ellipsoidal elevation of 402.09.
